## GUMMYBINS®

Sticky, ugly and expensive to remove, chewing gum litter blights our streets, work places and leisure environments. Chewing gum is a growing problem for many local authorities and businesses costing millions of pounds clean up every year. Gummybins® provide an ideal solution to the problem of chewing gum litter and are proven to dramatically reduce chewing gum deposits. Independent results by DEFRA saw a 72% reduction in chewing gum litter where Gummybins® were installed. Their unique, high-impact design makes them instantly recognisable encouraging people to dispose of their gum responsibly.

## FACT

- **£150 million is spent each year cleaning chewing gum from our streets**
- **A single piece of gum costing 3p to buy can cost up to £1.50 to clean**
- **1/3 of the UK's population regularly consumes chewing gum**
- **Last year alone, chewing gum sales rose by 30%**
- **Repeated cleaning / removal does not solve the problem of chewing gum litter**

Suitable for internal or external use, Gummybins® are ideal for a variety of locations including:

- Pedestrian areas
- Offices and call centres
- Shopping centres and retail parks
- Leisure and community centres
- Schools and colleges
- Hotels
- Pubs, clubs and bars
- Food outlets
- Airports, bus stops and railway stations
- Factories
- Facilities managers
